Re: BPAI order mailed 22 September 2008 returning undocketed appeal to the examiner

The Board found the subject brief to be defective. The appellant filed a revised brief on 29 October 2008. The examiner finds that that revision corrects the defects identified by the Board. The brief filed on 29 October 2008 is ready for docketing and consideration by the Board.

/Donald L. Champagne/  
Primary Examiner, Art Unit 3688
